Avenue Six Studios

Van Nuys, CA (Feb 18, 2010) – The “cut-ups” at Funny or die (www.funnyordie.com) recently shot various segments featuring Oscar nominee Taraji Henson, William Fichtner, Oscar winner Marion Cotillard and Lesley Ann Warren at the Van Nuys, California based Avenue Six Studios’ Soundstages.

Mr. Mike Farah, Producer and Ambassador of Lifestyle at Funny or Die noted, “Avenue six studios allowed us to get a very ambitious shoot done all in one location. The entire staff was great to work with and we plan on going back!”

Farah chose the Avenue Six Studio Stages in part because a newly added soundstage and green screen expansion makes Avenue Six even more versatile than ever. As Hollywood’s hottest new film and television facility Avenue Six Studios (www.avesix.com) continues to be a sought after location for Los Angeles based production companies. The New Avenue Six Studio Complex offers one of the industry’s most comfortable, immaculate and amazing shooting environments. Located minutes from Burbank, Hollywood and entertainment giants such as Warner Bros., Raleigh Studios, Universal and Disney, Avenue Six is expertly equipped. The \$ Multimillion facility includes three stages for all types of production. It also boasts several thousand square feet of office and other behind-the-scenes space.

The stages have continuously been booked at a hectic pace. Andrea Ambandos’ Dragonfly Productions recently completed a TURBO FIRE fitness video starring Chalean for Beachbody while Bully Pictures recently wrapped their latest commercial spot at Avenue Six Studios. Producer Gary Kout alongside Production Supervisor Theresa Martinsons oversaw the Nissin Noodles shoot. The spot stars legendary film and television actor James Hong. On the advertising side, Director Leon Melas and Square One Entertainment have created magic in the kitchen for their latest Shamwow product, Slap Chop. Shamwow’s notorious frontman utilized Ave Six Studios’ east stage “Kitchen set” to create the proper mood for the company’s new infomercial. Avenue Six continued on their 2009 health kick as Canadian production company, Kingstar Direct Response recently completed work on their new infomercial shoot at Los Angeles’ premiere studio facility, Avenue Six Studios. Production Manager Shawn Cheyene oversaw the action for a new fitness product, “Workout 180” with Director I-Li Chen and Set Decorator Susan Genito. Football and “Dancing With the Stars” Superstar Jerry Rice was tapped to topline the commercial shot over several days at the Avenue Six facility. Set Decorator Susan Genito noted, “We were so pleased with all of the amenities provided to us by the Avenue Six crew.”
